STATEMENT REGARDING FRAUDULENT, DECEPTIVE ACTIVITIES

It has come to the company's attention that some discreet trading companies/individuals/firms are using similar name and style in order to take orders from the prospective customers as well as our old and established buyers. While the company has already filed a legal suit against one of them named as "**Kashmir Walnuts- located in anantnag district of Kashmir**" for such offence, we would always need your support to eradicate the perpetrators. We also inform the trading community that such legal action through competent court of law, will force the immediate halt of production and sale activity of such perpetrators which could mean heavy losses to the buyers/customers already contracted with them for supply of walnuts.

So we would like our loyal customers and prospective ones to please stay away from such offers. Kindly identify the following in order to verify the original offers:

PLEASE BEWARE!!

1. Kashmir Walnut Group operates under the trademark "KC Brand" which is visible on the website as well as on the export cartons.
2. The family last name is "Nagpal" so make sure you deal with the right person
3. Our factories are located in Jammu region of Jammu&Kashmir- Not in Anantnag

Any such doubtful offer may please be forwarded to our common e-mail address i.e. kashmirwalnut@vsnl.com

We hope you will cooperate with us,

Thanking you and we remain,

For, KASHMIR WALNUT GROUP
